*Please Note: Training sessions for umpires will be scheduled sometime in March – May for the upcoming season. Training sessions will include classroom sessions to review league and division rules, as well as discuss plays and situations that an umpire could face during the season. Hands-on sessions will also be scheduled where umpires are provided opportunities to ump at scrimmage games. Multiple training sessions will be offered. 2 training sessions are mandatory (1 hands-on and 1 classroom) and umpires will receive a bonus of \$20 for attending the training after umping their first regular season game.*
